

# Joy To The World

version by Michele McKeag Larsen, inspired by The Joy Team

Joy to the World, the time has come!  
Let joy rise up in you;  
Let every heart prepare some room,  
And joy and love will grow,  
And joy and love will grow,  
And joy, and joy, and love will grow.

Joy to the World, choose joy now!  
Let all sing loud joy's song;  
While old and young, sing just for fun  
Repeat the sounding joy,  
Repeat the sounding joy,  
Repeat, repeat, the sounding joy.

To every thought, bring joy and love,  
kindness, acceptance, more love;  
And inside you, joy's river will run  
And then laughter will sound  
And then laughter will sound  
And then, and then, laughter will sound.

Joy fills the world with peace and grace,  
And makes our hearts expand  
The glories of joy, kindness and love,  
Spread joy, kindness and love,  
Spread joy, kindness and love,  
Spread joy, spread joy, kindness and love.

## About The Joy Team

Founded in February 2010, The Joy Team is a non-profit corporation based in Vancouver, Washington, with the mission of spreading joy, optimism and inspiration to millions. We carry out this mission by helping people shift into a positive frame of mind through the incredible power of positive words. In 2010 we put up 28 billboards, effectively putting 25.9 million seeds of joy out into the world. In 2011 we involved over 300 people in spreading positive messages in 3 countries (USA, France, Netherlands) and 22 U.S. states on August 23rd using sidewalk chalk; and we started a free online directory of organizations working for joy, kindness and love: JoyKindnessAndLove.com.
